

# What is **Zotero**???

**Zotero** [zoh-TAIR-oh] is a free, easy-to-use **Firefox extension** to help you **collect, manage, and cite** your research sources. It lives right where you do your work — in the **web browser** itself.

[-http://www.zotero.org](http://www.zotero.org)

## Want to know more?

Sign up for a **hands on workshop** provided by the Arlington Campus Library this summer!

<http://ittraining.gmu.edu>

*Registration is **HIGHLY** recommended.*

**Monday, July 14:  
4:00 – 6:00 PM**

**Arlington Original Room  
242**

**Tuesday, August 19:  
4:00 – 6:00 PM**

**Arlington Original Room  
242**
